

Stag Adrenalin Cocktail

If you're looking for an awesome weekend that will be talked about for years to come, if you want scenes more photogenic than the wedding, and you think it's a good idea to do something healthier than just tip 15 pints of beer down the toilet...read on.

'Thanks for a wicked weekend – very successful, and due to your adventure filled programme I have gained great kudos for organising an excellent stag weekend!'

Earn friends and influence people by letting us orchestrate your entire stag party weekend, day, or mid-week break. Why settle for the cheap thrill of a quad bike, the macho mud of paint balling, or the 15-second rush of a bungee jump when we can offer you two whole days of pure fun and adventure?

Your stay will be coordinated by our dedicated [Adventure Event Manager](#) who will make sure your chosen adventures, ideal accommodation, good food and a spectacular environment merge seamlessly into a stag event your friends will talk about forever.

EXAMPLE WEEKEND PROGRAM (for a group of up to 12, please [contact us](#) regarding availability and itineraries for larger groups)

Friday night: Arrival at Preseli Venture in time to catch a beautiful sunset on the lodge patio. Follow this with a home cooked and wholesome dinner at the [Preseli Venture Eco Lodge](#), and settle into an evening of relaxation. The Preseli Venture bar stocks a range of tipples and will be open 'til late.

Saturday: Choose 2 activities from;

COASTEERING

A real wake up call - climb, swim and jump into a whole new world. Sea caves, tunnels and swirling ocean swells combine to produce a truly wild environment. Watch out – it's addictive!

SEA KAYAKING

Rocks, caves, seals, birds, waves, surf, beaches, harbours and much more make Pembrokeshire a real sea kayakers paradise. Surf between rocks, paddle below towering cliffs and say 'hi' to the seals.

SURFING

The art and science of riding ocean swells on the trembling surf of the Atlantic Ocean. With a little help from our talented instructors you'll be up on your board riding the clean green west Wales waves in no time at all.

Saturday night: Delicious home cooked dinner here rounded off with drinks at the Preseli Venture Lodge bar, or a visit to our friendly local village pub. Or maybe you'd like a moonlit walk through the woods and a frolic on our quiet secluded beach, or beers around a blazing bonfire in our sheltered garden? Whatever you choose, after a hard day out enjoying yourself with mother nature, your body will have no option other than the "sleep of the deep".

Sunday: One more activity...we recommend:

HIKING on the famous [Pembrokeshire Coast path](#). Unwind amongst dramatic scenery, walk cliff top trails, and chill out amongst the wild flowers – the perfect end to a weekend of good times and

adventure.

Where will I stay?

All of our adventure guests stay at the [Preseli Venture Eco Lodge](#), our **5 star adventure centre** set in an acre of land; a beautiful location with just a one mile walk through National Trust woodland to our [local beach](#) which is stunning, unspoilt, and a place where seals sometimes sleep. The lodge has a range of bedrooms, from doubles through to group rooms sleeping eight. We keep the lodge warm and cosy year round; our comfy lounge has a picture window with an awesome view, under-floor heating courtesy of our ground source heat pump, and is equipped with a delightful wood burning stove – ideal for experiencing that 'post adventure' glow!

Our new bar and dining area has a pool table and an incredible music system which you can plug your ipod straight into, the PV bar is well stocked with a range of tipples to suit everyone, including local and organic brews. We serve tasty meals, and tea, coffee and cold drinks are available to help yourself to at all times. Our food is home cooked, wholesome and delicious, and special diets are happily catered for.

A home from home...

The lodge accommodates up to 38 people and has an atmosphere of homeliness and comfort. If you want to sample the local village pub, in the small and friendly hill top village of Mathry, it's just a short walk from the lodge and will give you a real taste of rural Welsh life. From here you can look out over the Preseli Hills; the source of the 'bluestone' of Stonehenge.

We hold the **Welcome Host Silver award** and we are committed to offering you the highest standards of service and the happiest and most comfortable weekend break. **At the end of 2010, when we asked them, 99% of our adventure clients said they'd love to come and see us again, or that they would recommend a friend to come along and see us for some adventures. We're very pleased about that!**
