

How to get to Preseli Venture and What to Bring Pembrokeshire Family Week

PRESELI
VENTURE

By Train

Haverfordwest is our nearest large town that is served by both buses and trains. The train timetable does vary through the year – as a guide we suggest that on Monday we will be at Haverfordwest train station at 12.30pm, and we'll offer a transfer back to the train station on the Friday, arriving there for about 10.30pm. **If you could contact us ASAP if you would like to take the train, and we'll take a look at times and itineraries.**

If travelling from London take the train from Paddington. For advance train ticket purchases call **0870 9000 773**, or buy online at www.thetrainline.com or www.firstgreatwestern.co.uk

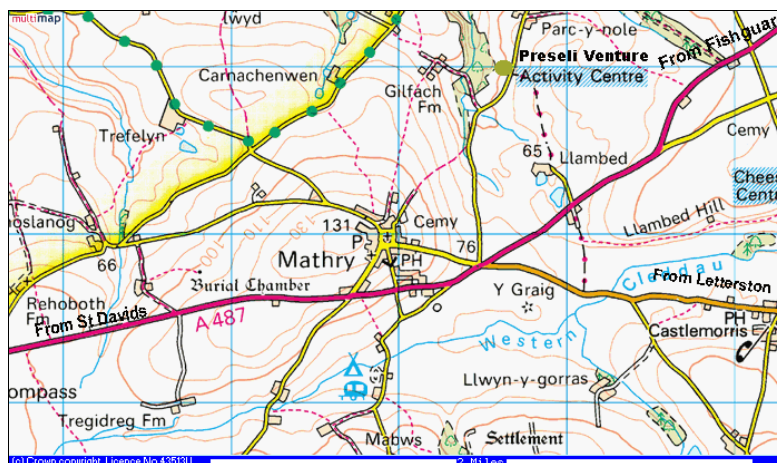

Alternatively, if you'd like to talk to a real person (!) you can call Louise at **The Ticket Hut** on **01554 830188** or email her thetickethut@pembrestation.co.uk.

Please note: if the train timetables don't fit in and around the dates of your stay with Preseli Venture, we are usually able to offer additional nights accommodation here at the lodge, please do call or email with public transport logistics, we do encourage you to utilise public transport whenever possible!

By Car:

- ✿ Take the M4 west as far as it goes past Swansea, and then join the A48 to Carmarthen.
- ✿ At Carmarthen take the A40 west towards St Clears, and continue on the A40 to Haverfordwest.
- ✿ From Haverfordwest take the A40 towards Fishguard for 9 miles, until you reach Letterston and then TURN LEFT onto the B4331, sign posted for Mathry.
- ✿ Continue for 5 miles, until the B road meets at a junction with the A487; the Fishguard to St Davids road.
- ✿ Cross over the A487, and then turn IMMEDIATELY right down a **single-track** lane – **CAUTION** drive slowly down this narrow and twisty road!
- ✿ We are the first place you come to on the left (a big pink house!), about 2/3 of a mile down the lane (ignore any other earlier farm tracks!) Please continue to the second entrance driveway, which leads you straight to the car parking area.

NB Please follow these written instructions for the last part of your journey, sat navs are notoriously unreliable for guiding guests to the lodge!
