

School Residential activity and adventure programmes at Preseli Venture

Why choose Preseli Venture for your school or college adventure trip?

- **Pembrokeshire coast location:** spectacular and inspiring activity locations in Britain's only coastal National Park
- **Small and exclusive 5 star VisitWales graded [outdoor activity centre](#):** we offer [exclusive use for mid week school and college groups](#)
- **Flexible programming:** we offer 'off the shelf' activity trips, but can also tailor programmes according to your individual requirements and objectives
- **Activities in their natural environment:** all within a 15 minute drive of our activity centre
- **Highly qualified, experienced instructors:** with relevant NGB qualifications and plenty of 'on the job' experience
- **Calm, un-rushed sessions:** enjoy a quality experience alongside your pupils
- **A range of activities:** [coasteering](#), [surfing](#), [sea kayaking](#), [coastal walking](#), problem-solving, team challenges, high and low ropes course, beach studies, and map skills.
- **Curriculum based activity sessions:** for KS3, BTEC, and GCSE / A-Level PE
- Open February to November

We aim to give students and staff the opportunity to participate in **exciting and challenging activities in a safe and secure environment**. We offer a broad range of high quality activities, excellent staff, comfortable accommodation, superb food and a warm welcome. We are one of the few residential centres that can offer **sole occupancy** at our [outdoor activity centre](#), which means you'll have exclusive use of all lodge facilities, and the undivided attention of our staff team!

We have a 23 year proven track record of delivering professionally run programmes and holidays with the highest standards of safety. In all but the most extreme weather conditions, our activity sessions take place on the wild, varied and beautiful Pembrokeshire coastline rather than lakes or other more 'tame' environments.

Preseli Venture is set up as a small centre enabling us to provide a very personal experience. This personal approach ensures the maximum development opportunities for each pupil, and allows our staff team to get to know and create that important bond. This ethos leads to a relaxed atmosphere that benefits everyone and makes it possible for us to provide consistent quality and value for money.

Safety is our priority

Preseli Venture is an AALA licensed activity centre, licensed to provide surfing, coasteering and kayaking. [Our staff](#) are qualified, professional and friendly, with plenty of relevant experience of working with school groups ranging from KS2 through to adults. They are Pembrokeshire based and have fantastic local knowledge.

PSV qualified drivers and transport for the activities

Your school adventure trip at Preseli Venture includes all of your transport once you're with us. We have 2 minibuses and we fulfil all the requirements to operate them safely and legally. We hold a PSV (Public Service Vehicle operator's license) and our drivers are PCV (Passenger Carrying Vehicle) qualified. As well as our daily safety checks, the minibuses are inspected by a DOT garage every 8 weeks.

Planning your school or college adventure trip

Our highly experienced team will support and assist you through the entire process, making your trip run easily and smoothly throughout. This includes your initial enquiry, the design of your programme, your site inspection and all health and safety paperwork including risk assessments.

If you require the chance to recce our facilities with a view to making a booking, you're very welcome to come along and sample our lodge and activities free of charge.

Customising your school's programme

We've put together a [suggested programme](#) based on our experience of what works well for most school groups. However, we're more than happy to customise the programme according to your groups preferences, aims and objectives, please do contact us with any preferences or requirements.

Every programme we run is customised to the group visiting. This ensures we deliver what you want and that the outcomes for your pupils and schools are achieved. **We are flexible and do not make you fit into a standard programme.**

We help and advise you in choosing your day and evening activities. Once you are here, we still remain flexible with changes to the programme. Free time is kept to the minimum with careful thought to session times both in the day and evening.

The best quality equipment to suit a range of shapes and sizes!

We work with a number of top notch adventure equipment suppliers to make sure that the adventure equipment provided for your outdoor activities is top of the range. We really look after our kit, we renew and replenish our stocks regularly, and have a careful maintenance regime that ensures that all of the equipment is in good condition and that it is completely fit for purpose for your stay with us.

Real adventures in the outdoors!

We are committed to keep the sense of adventure and excitement in outdoor

and adventurous activities. This ensures students get the enjoyment, fantastic moments and personal gain from experiencing the real activity in its true environment. Based at spectacular locations on the Pembrokeshire coast we kayak on the sea, not a pond or lake, and this is made possible by effective risk-assessment, a wealth of experience and a highly qualified, experienced team of staff.

Benefits to your students

Your pupils will learn and enjoy new adventure experiences, and experience the outdoors in a safe, positive and supportive learning environment. They'll stay at an eco-lodge with modern "green" technologies in operation as a learning point for pupils.

We give pupils many opportunities to experience success and to celebrate their achievements, leading to greater self confidence and improved self esteem. A significant benefit is that pupils learn to accept and respect peoples differences and this can often change attitudes and values over the longer term. Trust and team spirit are built throughout the week developing and improving relationships between each other and teachers.

Sample adventure programme for schools

We've put together a suggested programme based on our experience of what works well for most school groups. However, we're more than happy to customise the programme according to your groups preferences, aims and objectives, please do contact us with any preferences or requirements.
