Endorphin Blaster Adventure Day

If you're staying in the local area and fancy a half or full day of awesome endorphin blasting stress busting adventure then we have a tasty adventure day menu that we have put together – just for you!

On your *endorphin blasting* adventure we'll give you the opportunity to:

- experience unique and exciting adventure activities that help you refresh and invigorate, detox and relax,
- take time out to enjoy the beautiful unspoilt coastline of Britain's only coastal National Park,
- escape from the reality of daily life for fun and exhilaration.

What activities can I do?

Choose one of these for a half day or full day, or combine two for a 'pick and mix' adventure:

COASTEERING The ultimate coastal adventure - climb, swim and jump into a whole new world. Sea caves and swirling ocean swells combine to produce a truly wild environment. Our experienced coasteering guides will choose from a range of stunning locations based on your interests, the tide, swell and time of year. We offer Pembrokeshire coasteering exploration away from the crowds!

SEA KAYAKING The sea kayak is the ideal craft from which to explore our Coastal National Park. In a short time you can be away from other people, exploring the hidden coves, beaches and sea cliffs of the Pembrokeshire coastline, leaving only footprints in the sand, and taking away happy memories, health, and fitness.

SURFING The art and science of riding ocean swells - with a little help from our talented instructors you'll be standing up in no time. You'll get the chance to experience surfing on the best beach breaks in West Wales, and this combined with awe inspiring scenery, and more Blue Flag beaches than anywhere else in Britain ensures there truly is no better venue in the UK to begin your surfing career.
