## Endorphin Blaster Adventure Day

If you're staying in the local area and fancy a half or full day of awesome endorphin blasting stress busting adventure then we have a tasty adventure day menu that we have put together – just for you!

On your **endorphin blasting** adventure we'll give you the opportunity to:

- experience unique and exciting adventure activities that help you refresh and invigorate, detox and relax,
- take time out to enjoy the beautiful unspoilt coastline of Britain's only coastal National Park,
- escape from the reality of daily life for fun and exhilaration.

### What activities can I do?

Choose one of these for a half day or full day, or combine two for a 'pick and mix' adventure:

**COASTEERING** The ultimate coastal adventure - climb, swim and jump into a whole new world. Sea caves and swirling ocean swells combine to produce a truly wild environment. Our experienced coasteering guides will choose from **our range of stunning wilderness locations** based on your interests, the tide, the swell and time of year. We offer Pembrokeshire coasteering exploration away from the crowds!

**SEA KAYAKING** The sea kayak is the ideal craft from which to explore our Coastal National Park. In a short time you can be away from other people, exploring

around the hidden coves, beaches and sea cliffs of the Pembrokeshire coastline, leaving only footprints in the sand, and taking away happy memories, health, and fitness. We have a range of kayaks in various sizes including general purpose, specialist sea kayaks, and sit on tops. We'll choose the most appropriate craft on the day according to your experience, interests – and of course the all important weather conditions!

**SURFING** The art and science of riding ocean swells - with a little help from our talented instructors you'll be standing up in no time. You'll get the chance to experience surfing on the best beach breaks in West Wales, and this combined with awe inspiring scenery, and more Blue Flag beaches than anywhere else in Britain ensures there truly is no better venue in the UK to begin your surfing career.

### Who are Preseli Venture?

Preseli Venture was founded in 1988 and we specialise in providing adventure events to a discerning client base! Our **Endorphin Blaster Adventure Days** will put you in touch with nature and provide a much needed tonic for the mind and body.

We have a solid and safe track record. We are accredited by **VisitWales** for our accommodation, approved by **Canoe Wales** as a sea kayak training centre, and assessed by the **Adventure Activities Licensing Service** and the **National Water Safety Forum** as a coasteering provider. We are a founder member of the **Pembrokeshire Outdoor Charter Group** and we are involved in making sure our impact on the National Park is as positive as possible.

We are an **economic force for the sustainable use of wilderness areas**. In 2005 we achieved our **Level 2 Green Dragon award** – these awards set quality standards for environmental good practice from energy conservation to recycling, and promote awareness of the intrinsic value of the environment in which we live and work

On a day to day level we source our electricity from our solar photovoltaic panels and Ecotricity, our heating and hot water is via our ground source heat pump, we compost food waste, and source food from local providers whenever possible.

### ***Are there any participant restrictions?***

We welcome adults – singles, couples and groups - and family groups with children aged 9 years and older. Children under 16 must be accompanied by an adult. Height restrictions do apply, kids do need to be 114cms tall or over, in order to utilize the adventure equipment on offer. **Activity groups are kept separate for adults and families.** Activities are open to everyone, you don't need to have previous experience and you don't need to be particularly outdoorsy, just come equipped with a 'go for it' attitude and a sense of fun! Participants should have a reasonable general level of fitness and will be asked to fill in a medical declaration form on arrival at the lodge. All participants need to be able to swim to take part in the water-based activities.
