I had one of the best weekends adventuring at Preseli Venture! Not only was the location perfect with the beautiful coastline and National Park, but the activities, staff, food, and facilities were also perfect! I had so much fun and felt confident and safe at all times with the great guides. One weekend was not long enough, and I hope I have the chance to return someday!

You'll arrive on Friday evening in time for a delicious welcoming meal, followed by an energetic, kinetic and dynamic 2-day itinerary including wild sea swimming, coastering, surfing, outdoor yoga, woodland trail running and coastal path power walking. We'll wave you off after lunch on Sunday feeling buoyant and healthy in mind, body and spirit!

Our aim is to give you the tools to connect to your environment, immerse yourself in the landscape and feel confident to interact with varied terrain and conditions, absorbing the nutrients of a full-body work-out in the wilderness.

ITINERARY

Friday: PM
Arrive

Arrive at the eco lodge from 17:00, stretch your legs with a short walk or run down through the bluebell woods to Abermawr, our secluded local beach, and breathe the fresh Atlantic sea air. Return and watch a spectacular sunset over the valley with a local brew in hand, bathed in the joyous dusk chorus of birdsong. Settle in with a delicious welcoming evening meal and fully relax, ready for tomorrow's adventures.

Saturday : AM

Boosted by a fresh fruit smoothie, greet the day and work up some heat in the body with a lively run through the ancient wooded valley and down to Abermawr, our local beach where we encourage you to wake up the senses with a refreshing wild sea swim in crystal clear, aquamarine waters! Run or walk back to the lodge for a full Welsh breakfast then head off to a wild coasteering spot for your first adventure. Swim, scramble, climb and leap, encountering rushing gullies, whirling plunge pools and spurting blow-holes!

Saturday : PM

Warm up back at the lodge with some cawl (a Welsh soup) and warm crusty bread before we drop you off on the Pembrokeshire Coast Path for an afternoon power walk back to the lodge.

From this gently meandering well-traversed trail, swathed in sea campion, yellow gorse and pink thrift flowers, you can spot inquisitive grey seals lazing on the rocky shoreline, pods of harbour porpoise and Atlantic sea birds fishing, peregrines diving and kittiwakes nesting.

Once you arrive back at the lodge, hop into something comfy, take it down notch and re-centre yourself with a calming, grounding and restorative, outdoor yoga class. Catch the wave of your breath as you flow through this gentle vinyasa. Create inner space and expansion using your inhale and allow your exhale to guide you more deeply into the stretches. Let go of any expectations about yoga shapes, get curious and surrender to the sensation, finding what feels awesome for your body.

Sunday : AM

After a full breakfast to fuel you up, we'll seek out the swell for a revitalising surf adventure! Warm up and stretch it out on the sand before paddling out and practising your pop! Navigate past the breaking waves and hone your wave selection, find your feet, turn and trim, all under expert guidance. With some of the best sand-bottom beach breaks in Wales, crystal clear waters and clean summer swells, you'll be riding waves in no time.

Sunday : PM

After a healthy lunch, you'll leave the lodge feeling enlivened and rejuvenated having experienced the transformative power of the ocean and Atlantic sea air!

And if you're in no hurry to leave paradise, why not enjoy a relaxing massage or spa treatment at our nearby Ivybridge spa just ten minutes away in our local town of Goodwick: choose a well deserved treat with packages priced from £25 – £55 per person.
